Polaroid user manuals Spectra film is a widescreen version of their classic instant film, for when you absolutely, positively have to fit every single person in the shot. Accept no substitutes. Polaroid might be best known for that classic, square frame, but there were a few other formats over the years. Spectra Film - Polaroid Originals US The Polaroid Spectra AF is the exact same camera as the Polaroid 1200i, but with all the buttons and controls of the Polaroid Spectra System, which makes it the best of both worlds. I still personally prefer the Spectra System because the side strap is slightly more durable, but this is still an excellent camera that you should seek out. Polaroid Spectra AF Camera Review - Dan Finnen Spectra System film Polaroid Spectra System film produces the most brilliant colors in instant photography. This film was developed just for Spectra System cameras and is the only film that can be used in your camera.
